

SCHEDULE OF CHARGES

EFFECTIVE JANUARY 1, 2022

The following is a schedule of estimated Labor and Material Charges which residents may be assessed for cost of cleaning and/or repair and replacement of non-consumable items damaged due to neglect or abuse by the resident, a family member, or a guest of the resident. The Schedule of Charges lists the most common routine and non-routine repairs and replacements. An asterisk (*) denotes non-priced repairs and replacements caused by resident abuse or neglect and will be charged at the actual cost at the time expenses are incurred. Washington State Sales Tax may be added to materials and services provided at rental properties subject to sales tax. Items not listed will be charged at current market rates and appropriate labor charges.

Labor charges are based on the following rate revisions:

<u>2022</u>		
MAINTENANCE	(M)	\$58.09 PER HOUR
JANITORIAL	(J)	\$39.88 PER HOUR
GROUNDS	(G)	\$38.70 PER HOUR

Each item on the Schedule of Charges will have the appropriate trade initial placed beside the item that will signify the rate that will be charged for repair or replacement.

Exceptions: Expenses related to consumable items (i.e. light bulbs, range drip pans, oven broiler pans) are the sole responsibility of the resident. Repair or replacement of consumable items by the Bellingham Housing Authority will be charged to the resident at the noted rates.

Note: Labor rates noted herein apply to normal business hours (M – F), 8:00 AM to 4:30 PM. Maintenance call-outs after normal business hours, weekends and holidays will be charged at the overtime rate of time and one half (1.5 hours) for each hour worked.
