MEMORANDUM

TO: Board of Commissioners

FROM: Kate Donnelly, Chief Operating Officer

DATE: November 19, 2024

SUBJECT: Resolution 817 – FY 2025 Maintenance Schedule of Charges

BACKGROUND

Public Housing Authorities are responsible for establishing material and labor charges that may be assessed for the cost of cleaning and/or repair and replacement of damaged items due to neglect or abuse by a resident, family member or guest.

SUMMARY

Each year WCHA completes a comprehensive review of the Maintenance Schedule of Charges. Labor rates are updated to reflect the hourly personnel cost within each maintenance trade classification. Material costs are updated using market data and are charged at actual cost at the time of purchase.

Exhibit A, provides a detailed comparison between the approved 2024 rates and the proposed 2025 rates. Items marked with an asterisk denote labor and/or material items that will be assessed at actual cost at the time of purchase.

The proposed schedule was submitted to the public for comment October 11, 2024 – November 11, 2024.

We recommend approval of Resolution 817, the FY 2025 WCHA Maintenance Schedule of Charges that will be effective January 1, 2025.

EXHIBIT A

BOARD OF COMMISSIONERS MEETING OF NOVEMBER 19, 2024

FY 2025 PUBLIC HOUSING MAINTENANCE SCHEDULE OF CHARGES

Resolution 817, Exhibit A includes the 2024 vs. 2025 Maintenance Schedule of Charges comparison.

SCHEDULE OF CHARGES

EFFECTIVE JANUARY 1, 2025

The following is a schedule of estimated Labor and Material Charges which residents may be assessed for cost of cleaning and/or repair and replacement of non-consumable items damaged due to neglect or abuse by the resident, a family member, or a guest of the resident. The Schedule of Charges lists the most common routine and non-routine repairs and replacements. An asterisk (*) denotes non-priced repairs and replacements caused by resident abuse or neglect and will be charged at the actual cost at the time expenses are incurred. Washington State Sales Tax may be added to materials and services provided at rental properties subject to sales tax. Items not listed will be charged at current market rates and appropriate labor charges.

Labor charges are based on the following rate revisions:

		<u>2024</u>	<u>2025</u>
MAINTENANCE	(M)	\$65.75 PER HOUR	\$69.21 PER HOUR
JANITORIAL	(J)	\$50.60 PER HOUR	\$50.98 PER HOUR
GROUND	(G)	\$55.40 PER HOUR	\$59.70 PER HOUR

Each item on the Schedule of Charges will have the appropriate trade initial placed beside the item that will signify the rate that will be charged for repair or replacement.

Exceptions: Expenses related to consumable items (i.e. light bulbs, range drip pans, oven broiler pans) are the sole responsibility of the resident. Repair or replacement of consumable items by the Bellingham Housing Authority will be charged to the resident at the noted rates.

Note: Labor rates noted herein apply to normal business hours (M – F), 8:00 AM to 4:30 PM. Maintenance call-outs after normal business hours, weekends and holidays will be charged at the overtime rate of time and one half (1.5 hours) for each hour worked.
